To Whom It May Concern:

On behalf of Frederick L. Malphurs, Director, North Florida South Georgia Veterans Health System, staff, and veteran patients, it is my privilege to express our gratitude for your donation of the 2 boxes of collectable stamps for the benefit of our veteran patients.

We thank you for your generosity and thoughtfulness. As you know, many of our veterans are away from family and friends for extended periods of time. Some are homeless. Continuous caring and concern from friends such as you give our veteran patients something to look forward to. This donation is another example of the support you provide. We and our veteran patients thank you for your generosity.

Please accept our best wishes for the endeavors of your organization.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald W. Joyner".
